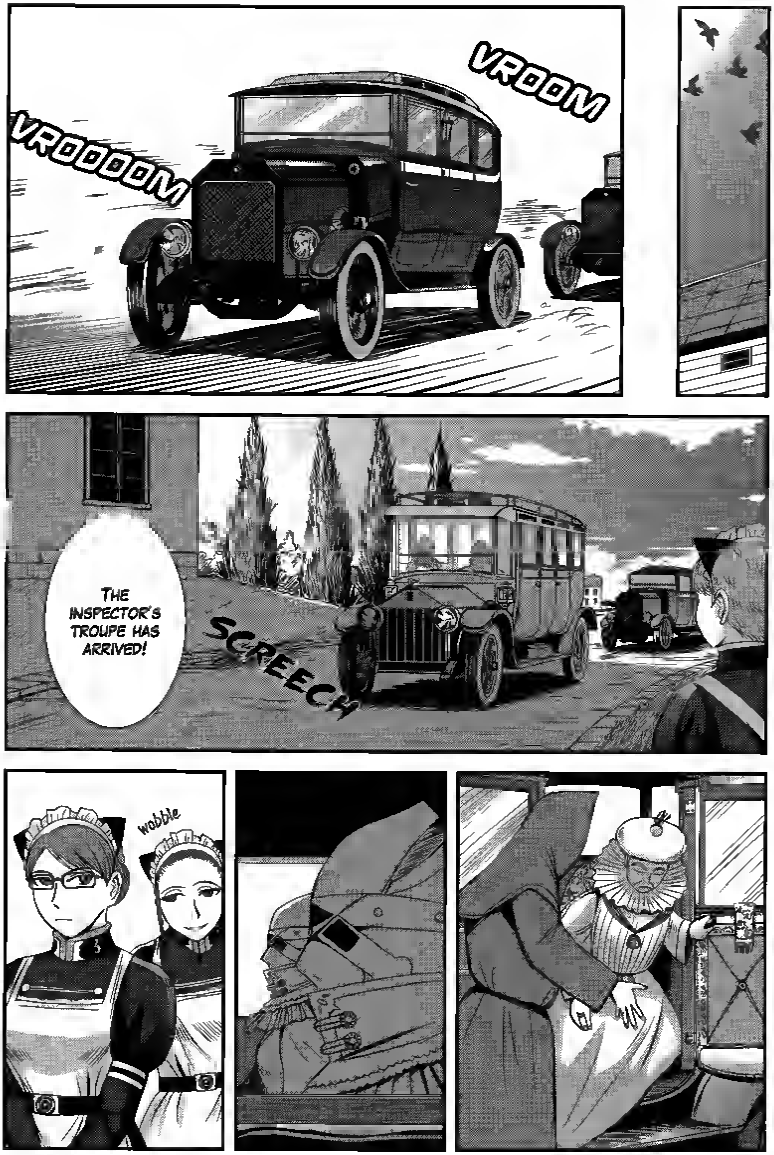
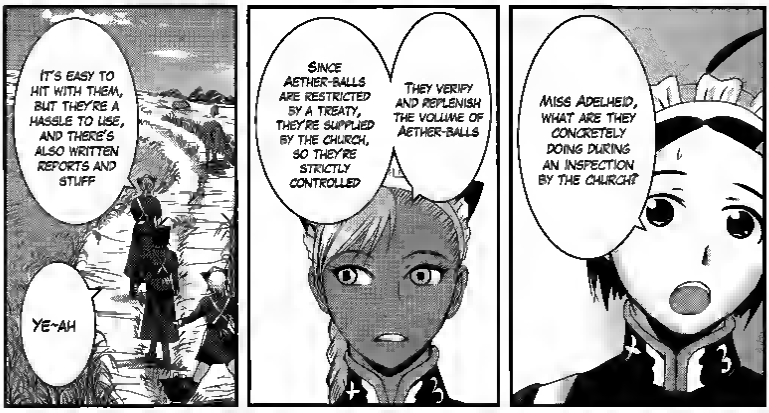
Unique wartale fantasy of maids x trench warfare!!

An elite carrier pigeon unit?!
And Room Master Marine is training those pigeons...?!
THEY'RE YOUR PRECIOUS LITTLE ONES AFTER ALL
BUT ARE YOU REALLY OK WITH THIS?
I SEE YOU'VE GOTTEN USED TO THEM
WELL, AREN'T THEY CUTE?
PO
PO
YES, OF COURSE
THERE'S NOTHING TO WORRY ABOUT

602
ATTENTION LADIES!
THEY DECIDED ON HAVING THE CHURCH INSPECTION TOMORROW
INSPECTION? CALLING ME OUT?
Hm-?
Hmm-?
THAT'S ALL, DISMISSED!
WE WILL CARRY ON AS USUAL REGARDING THIS
ALSO SILKK, THERE'S SOMETHING WE HAVE TO TALK ABOUT



VROOOOM
VROOM
THE INSPECTOR'S TROUPE HAS ARRIVED!
SCREECH
wobble



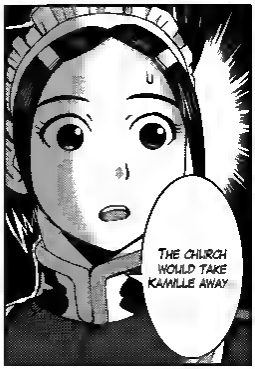
IT'S EASY TO HIT WITH THEM, BUT THEY'RE A HASSLE TO USE, AND THERE'S ALSO WRITTEN REPORTS AND STUFF
YE-AH
SINCE AETHER-BALLS ARE RESTRICTED BY A TREATY, THEY'RE SUPPLIED BY THE CHURCH, SO THEY'RE STRICTLY CONTROLLED
THEY VERIFY AND REPLENISH THE VOLUME OF AETHER-BALLS
MISS ADELHEID, WHAT ARE THEY CONCRETELY DOING DURING AN INSPECTION BY THE CHURCH?

A foreboding that something "bad" is about to start

Yes, it's that thing were you manipulate the aether that's in the air into forms, no?
Silkk, it's just the basics, but do you know about aeria?
I don't really understand that thing about 'easy to hit', though
Aether-balls are made by the church's aetherms by enclosing a 'pursue people' equation into bullets
Those who make the methodical equation are aetherms, and those who use it aerith
Well, that's more or less it
So I guess what we're talking about ow is relevant to why we're heading for that hill now?
Aah, thanks to our 'angel'
Exactly, but there's also ways to protect against that
So those bullets come chasing after you?

If found, they're put under the church's control by putting them into one of their institutes
The church also searches in all countries for individuals that have the ability for Aeri

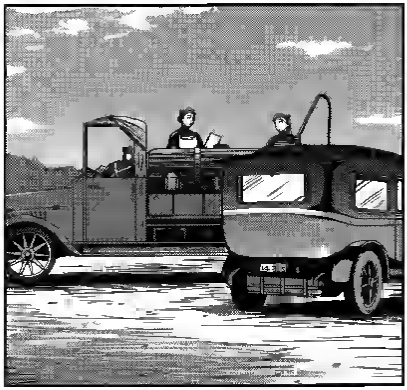
The general rule is that only the church has Aetherms and Aerith, so you shouldn't really find them outside of the church



The church would take Kamille away

So
This goes for people like Kamille with good intuition in particular

All in the name of God



At the residence of an Aerith
Yup, and that's why we're gonna hide her

Hmpf
We're not supposed to be seen by people after all
Can't be helped Medb*
Geez, having to sit around in the car all day again
It's a girl, a warm nice smell
Yeah
Any phase by the way?
Ah- This sucks
Sigh
So you better get to work already Pryderi**
I get it, I get it-
Geez..
I didn't mean it THAT way!
Wah, you said the smell of a girl, you perv!

*Tl note From the Irish Ulster Cycle

**Tl note From the Welsh Mabinogi

IT'S ALWAYS THE SAME WITH YOU MEDS
SO YOU GET IT, huh-
AND DON'T WORRY, IT'S JUST GONNA BE A LITTLE STROLL
WE WON'T REACH ANYTHING BY JUST SITTING HERE
WITH GO, YOU CAN'T POSSIBLY MEAN.
WELL, LET'S GO THEN

Miss McAlbeese
She's the landlady here, the master witch of Freia Aerith
Miss Adelheid, who's that woman?
He-y
Yes master, right away!
Haa..
The master of the moderate faction is our ally, so don't worry
various circumstances happened, like a factional strife at the church
Uhm-
Is this really OK, even if she's from the church?
But don't make the mistake of calling her Miss Aerith or something,
else she'll get super pissed
Beats me-
And by doing that the church won't find her, right?
A bath?
Something about how bathing calms down the spirit of an 'angel'
It's to decrease the aether
Well then, all's set, so have a bath right away

AND WITH THIS, TODAY'S INSPECTION IS OVER
THE AERITH HAVE STARTED TO MOVE
PRE-DECESSOR, WHAT'S WRONG?
ROOM MASTER
THE AETHER AMOUNT IS WAY TOO HIGH
VROOM

Let's get prepared by changing the colour of the score
Don't worry, that's enough for now

Medb in particular can get quite dangerous if she gets reckless, but I doubt they'll go that far

ATTENTION TO THE READER

In a world of compromises, some people put watermarks on their pages

But it doesn't matter, because our translations are the fastest ones out there Look at how cool our translator is if you send us money you will be that cool of an operator too And chicks will dig you

At /ak/, we stuck some translated text on a manga page, just like a bunch of other scanlating groups have done However ours is better, because we refuse to post it to any other sites than http://ak-scans.wikia.com and /a Because

Our wiki is the greatest wiki ever made It may be unorganized and have limited content, but that's your fault If you were a real operator you would love it once again look at our translator, that sig sure is cool isn't it?

Yeah, you know you want to send money to us

And by the way, check out our new website We decided that humans don't need to quickly read manga by webpages If you were a really manly teutonic operator, you wouldn't be bother by downloads plus we've tested the server to be able to take 100,000,000 requests at one time, and that was when the server was burned in a lake of molten lava, on the moon If you don't believe us, it is because you aren't a real operator

By the way, our cheap , mass-scanned manga are the best thing ever, and totally worth giving us lots of money, but not that cheap , mass-scanned, manga from other people, thats garbage not that it matters because you're not in our threads, so you will have to wait for your translations Because you suck, and we hate you, but we know you'll be back We can beat you down like a trailer park wife, but you'll come back, you always do

Give us money.

Sincerely,

/ak/ Marketing Department
